NEW TECHNOLOGY

## Revving engines echo through to the maximum.

Some of the best current production cars race head-to-head! Take the corners by sliding your tires. Reach the finish line before you run out of time! You must also reach each checkpoint within a designated time.

Seven stages challenge the player, including the practice stage. Use driving skills suited to different road conditions as you race for the finish line!

STAGE 1  
European STAGE

European  
Urban street stage.

STAGE 2  
African STAGE

African  
Savanna stage, the wilderness kingdom.

STAGE 3  
Snow land STAGE

Snow land  
Snow-patched asphalt stage.

STAGE 4  
Southern hemisphere STAGE

Southern hemisphere  
Rock-cliff island stage.

STAGE 5  
Scandinavian STAGE

Scandinavian  
Snow and ice-covered Scandinavian stage.

STAGE 6  
Great Britain STAGE

Great Britain  
Verdant forest stage.
